

TAMSEN GARRIE - The UK's leading expert on Vision, Mindset and Leadership in business

Author, Business Coach & Mentor, Speaker and Trainer

Tamsen is best known for the significant transformation she makes with businesses and business owners through her unique approach to business growth, where she combines sound business acumen with a deep understanding of how the mind works to effect extraordinary business results – all without a hint of fluffiness!

She is widely sought after as a speaker for her inspiring, engaging and entertaining presenting style and her reputation for delivering highly relevant educational material which is both inspiring and impactful.

SPEECH TOPICS

- **How to align your activity for extraordinary results** - For small business owners and entrepreneurs who want to achieve more success in their business without more effort.
- **The iLEAD App for Entrepreneurs** - For business owners without employees who still recognise that their success in business is reliant on their ability to influence others.
- **How to leverage the power of accountability** - For business owners who recognise that one of the greatest weaknesses of running your own business is that you're not answerable to anyone.
- **Why your reputation is key to your success** - For business owners, executives, leaders and managers who want to leverage their reputation to increase their visibility and opportunities.
- **How to build Aligned teams** - For business owners, leaders and managers who want to grow their business and recognise that an engaged and productive workforce is key to that.
